Use this form to submit a purchase order request or to include with a check/money order.

In order for the appropriate shipping and handling fee to be entered, you will need to proceed partially through the checkout process on the website shopping cart. Select the *order now* or *add to cart* button for the product(s) you want. Specify the quantity and select checkout. The charge for shipping will appear along with the total to be entered in the form below. If more than one type of product is ordered, go through the shopping cart process as usual. Enter the combined total and shipping charge on **the last** line. Specify the quantity of each product you are purchasing.
