

Supporting Success 2017 Conference

DOOR PRIZES

Supporting Success is pleased to be able to pass on wonderful materials to lucky conference participants!

Door prizes are new items that have been reviewed for inclusion in the product line, product samples from discontinued items and a variety of other donated or purchased resources perfect for people who support children with hearing loss.

How it works: Selection of winners is based on birthdays! If the month/day of your birth is selected, you choose an item!
