Sample Culminating Project

*My Book*

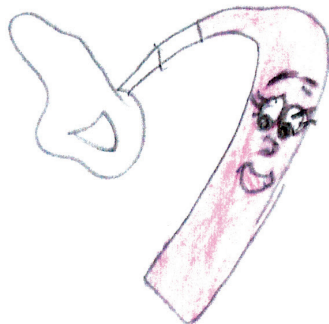

When I was 6 months old, Mom and Dad found out I couldn't hear.

@2014

1

I got a hearing aid to help me hear.

@2014

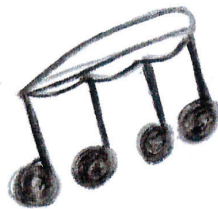

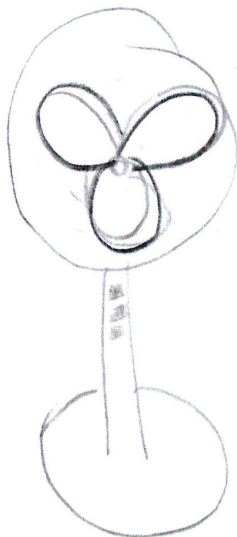

2

I can take care of my own hearing aid. I test and change the battery all by myself. I can put it on too!

@2014

3

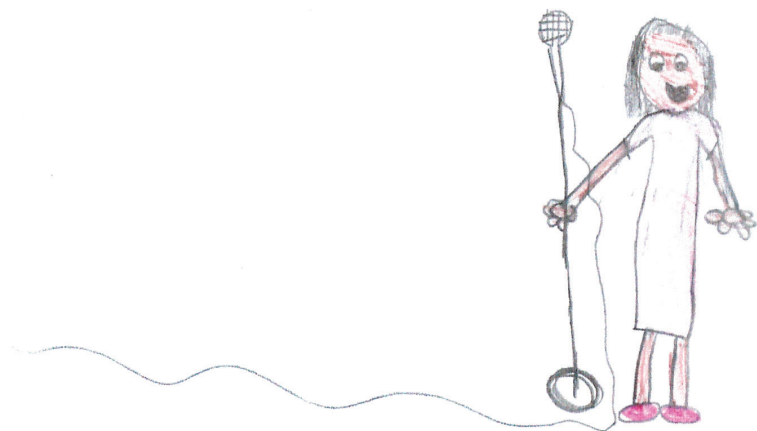

There are some noises that make it harder for me to hear.

@2014

4

My teacher uses an FM system to help me hear better at school.
