

Sample Letter to the Teacher

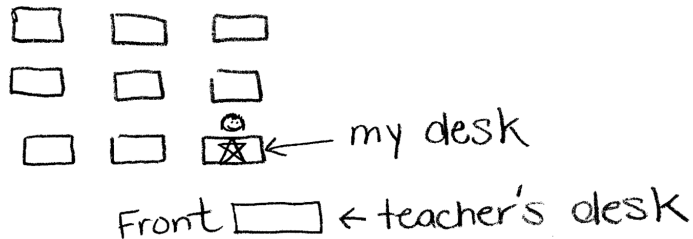

Dear Mrs. Alexander,

I have a hearing loss that makes it hard for me to hear you sometimes. Here are some things that you can do to help me hear better in the classroom.

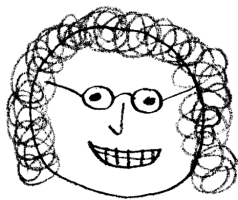

1. Use my FM system.

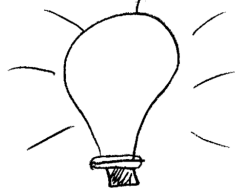

2. Let me sit close to the front of the room.

3. Look at the class when you speak.

4. Keep the lights on all day.

Thank you,
Julia Lee
