

PLANNING FOR TRANSITION SERVICES

HS1-C

Name: _____

★ What do you think you would like to do after high school? (postsecondary school, work, etc.)

★ What things do you need to do now toward that goal? (courses, training, experiences, etc.)

Activity	Where it will take place	How often you will do this	With whom you will do this (what agency)

★ Where do you plan to live after high school? (for instance, in the community with no support, in the community with family support, in the community with long-term support, with your family, etc.)

★ What will you need to learn while in high school to prepare for this living situation? (such as managing living in your own apartment, using public transportation, managing a budget, preparing meals, etc.)

Learning Activity	Where it will take place	How often you will do this	From whom you will learn this (what agency)
