

SCRIPT User Feedback Form

Your feedback regarding your experiences using the SCRIPT evaluation tool and instructional materials will help shape future editions. Thank you for taking the time to provide this valuable information!

1. Are the directions for the test and instructional materials clear and easy to understand? Why or why not?
2. Are there any barriers in using the test and instructional materials? If "yes", what are they?
3. Does the use of the evaluation tool generate usable and valuable information? Please explain.
4. What are your general impressions about the SCRIPT evaluation tool? The SCRIPT instructional materials?
5. Can you suggest other improvements to the materials?

Please e-mail your comments, either as a Word document or within the body of the e-mail, to karenlanderson@earthlink.net. Submit responses by January 1, 2013. Thank you!
