

PUTTING IN YOUR OWN HEARING AIDS IS REALLY EASY

YOU CAN DO IT ALL BY YOURSELF!

GRAB THE TUBING CLOSE TO THE EARMOLD.

MAKE SURE THE EARMOLD IS HOW YOU WOULD PUT IT IN YOUR EAR.

"SCREW IN" THE EARMOLD!

LOOK IN A MIRROR OR USE A PROGRAM LIKE "PHOTOBOOTH" ON A COMPUTER

HANG THE HEARING AID UP AND OVER THE TOP OF YOUR EAR!

DON'T FORGET TO TAKE YOUR HEARING AID OUT THE RIGHT WAY. GRAB THE EARMOLD. DON'T YANK ON THE TUBING!!!
