

A drop in the bucket	all ears	ants in my pants	your eyes are bigger than your stomach	Straight from the horses mouth
beat around the bush	bend over backwards	bury your head in the sand	white elephant	snug as a bug in a rug
button your lip	chicken feed	chip off the old block	up a tree	skeletons in the closet
cold feet	crocodile tears	don't count your chickens before they hatch	until the cows come home	sell someone short
don't cry over spilled milk	fly off the handle	get in someone's hair	under the weather	throw the book at someone
get up on the wrong side of the bed	give someone the cold shoulder	go fly a kite	To be a wet blanket	tickled pink
green thumb	green with envy	hit the hay	put your foot in your mouth	music to my ears
hold your horses	I could eat a horse	In a pickle	put the cart before the horse	monkey business
