

# Cracking the Grammar Code

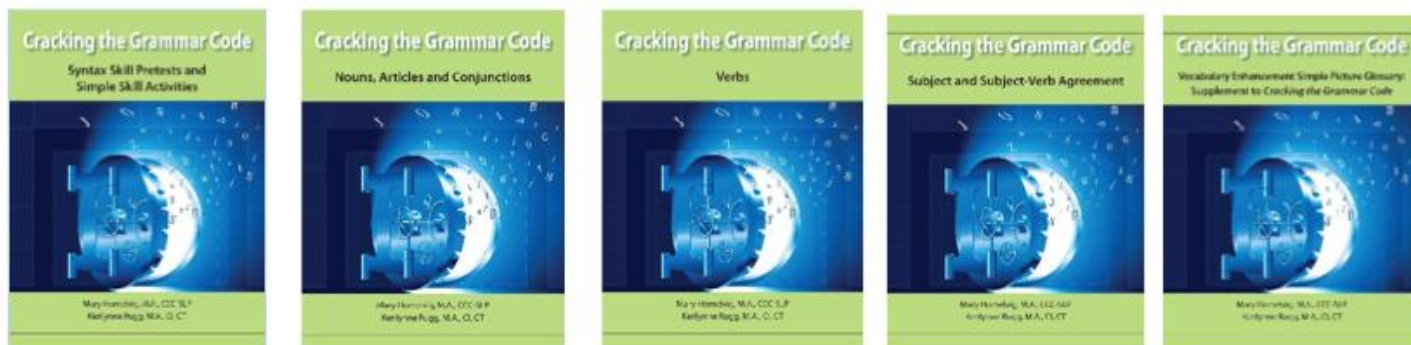

So many of our student cannot hear the insalient parts of speech (cannot perceive the high frequencies and/or the quiet parts of speech) – EVERY TEACHER needs to have easy to use syntax-building materials! *Cracking the Grammar Code* is a perfect fit for your needs whether you are an itinerant, or provide center-based, resource room, or push-in services. Keep the CGC materials on your media device to present the items to your students or copy the pages you need as you go.

Within the **FREE downloadable Syntax Skill Pretests and Simple Skill Activities** sample book, there are pretests teachers can use to identify students' skill levels. Each pretest has a rubric to diagnosis specific skills in the broader category. ([http://successforkidswithhearingloss.com/wp-content/uploads/2017/06/CTGC\\_Sample-book\\_download\\_71717.pdf](http://successforkidswithhearingloss.com/wp-content/uploads/2017/06/CTGC_Sample-book_download_71717.pdf))

When you are ready to dive into the full curriculum, there are four comprehensive downloadable books for purchase. The books provide a year's-worth of teaching materials at your fingertips! Each book contains assessment and teaching materials. The books are available as a complete package as well as separately. **Books can be taught in any order depending on the students' skill levels; however, for a complete year's-worth of lessons, present the books in the following order:**

- (1) ***Nouns, Articles & Conjunctions (173 pages for \$27)*** and its companion *Vocabulary Enhancement – Simple Picture Glossary (128 pages)* – ***Printed Version (\$28)*** – ***Digital Version (\$20)***
- (2) ***Verbs (143 pages for \$18)***
- (3) ***Pronouns, Adjectives, Adverbs, & Prepositional Phrases (94 pages for \$13)***, and
- (4) ***Finding the Subject & Subject-Verb Agreement (141 pages for \$14)***.

**Each book contains individual subject pretests and teaches concepts in incremental steps.**
