Past president of the Educational Audiology Association (1996)

## Courses Taught:

Aural Habilitation: Child (3 cr. graduate for AuD students) Adjunct Faculty for University of South Florida 2015  
Introduction to Audiology (3 cr. undergraduate) 2001  
Aural Rehabilitation (3 cr. undergraduate) 2000  
Language and Speech of Hearing-Impaired (3 cr. graduate) 2000, 2001  
Also lecturer to Audiology for students in the Deaf/Hard of Hearing Teacher Training Program and Educational Audiology for AuD students at the University of Minnesota 2012, 2014

## Additional Training

William & Mary 2016 Law Institute of Special Education Advocacy (ISEA), Williamsburg, VA (Aug 1-5)  
Mini Masters in Project Management, University of St. Thomas, Minneapolis 2011  
Completed SKI\*HI training in 1987 and again in 2004 as a parent advocate for families of hearing impaired children  
Attended VIISA training for providing services to families of infants and toddlers with vision impairment, 2003  
Participated in a week-long Helen Beebe Auditory-Verbal Therapy Professional Development Program; June 1998  
ASL courses 1992-1993

## Research Interests:

Estimating access to classroom communication and effect of accommodations and services.  
Listening Comprehension Assessment; Deaf/Hard of Hearing: speech perception related to pace of learning/effort.  
Correlation of frequency of use of communication repair strategies and perceived competence/social acceptance; self-advocacy measurement.  
Early Childhood: Strategies for families to use resulting in increased wear time for hearing devices; use of FM on infants and children.  
Multidisciplinary (health sciences): early childhood and school age hearing screening.

## Employment History

**Present** –Director of *Supporting Success for Children with Hearing Loss*. *Supporting Success* provides educational consultation, extensive online resources and products, professional development webcasts, biennial conference and individual consultation. Numerous paid speaking engagements. Highlights follow:

- Comprehensive information and materials website with over 300 webpages (~20,000 visits/month)
