

Supporting Success is Supporting YOU During the COVID Crisis

Educational systems are being rocked with the realities of responding to the COVID-19 virus. Many schools and teachers are figuring out how to provide services to students remotely. If you haven't read the lead article in our last Update with resources and tips for dealing with **E-Learning & Coronavirus**, [see it here](#).

Supporting Success for Children with Hearing Loss has the following options to help you in this crisis:

1. Streamer™

Streamer automated captioning can be added to your remote learning opportunities as an accommodation for students with hearing loss and for students who are not fluent in English. A fully secure, COPPA compliant trial can be set up for FREE for 30 days for one person, a group, or a whole school. Refer to the following information. For questions contact: streamer-support@success4kidswhl.com. The monthly price for Streamer has been dropped to \$9.97/month or \$99/year for an individual account or \$8.87/month or \$89/year per account for blocks of 10 accounts.

2. [The Online Itinerant](#)

The Online Itinerant is providing remote class opportunities for students who are deaf (signing) and hard of hearing. Each class is taught by a signing Teacher of the Deaf and kids are able to interact with other signing kids during this time.

- **CALENDAR TIME for children grades K-2**

Parents can attend with their children! This class will go over vocabulary and language for today, yesterday, tomorrow, discuss the weather, upcoming holidays and language associated with a given topic. If time allows, a book will be read in ASL.

- **DEAF AWARENESS** for children grades 3-5

Parents can attend with their children! This class will offer Deaf Awareness activities each day to highlight a deaf individual.

- **DEAF CREW CLUB** for students in Middle & High School

This is a designated time to connect together, get questions answered about daily events, and practice social skills with each other.

- **Catch up on your professional development!** Take advantage of this situation to explore the many online trainings offered by [The Online Itinerant](#).

3. [Teacher Tools](#)

Teacher Tools has many ready-made instructional materials that can be used to teach students in a remote format. Continue your goals for language, social skills, self-advocacy, etc. by tapping into the materials in the Teacher Tools e-magazines. Download a single set of worksheets or the whole e-magazine!
